

EBMG

EAST BAY MANUFACTURING GROUP

JOIN US

We invite you to connect with other high-level manufacturing executives at the inaugural meeting of the **East Bay Manufacturing Group (EBMG)**. By participating in this kick-off discussion, you will help to shape the future role of the EBMG. This new organization will be a peer-to-peer gathering of C-level executives from East Bay manufacturing companies and affiliated organizations.

Core objectives of the group will be to provide a platform for networking and sharing industry specific thought leadership and best practices, to build strategic alliances and affiliations, to create innovative changes in the regional business culture, and to promote economic development among East Bay-based manufacturers - regardless of size and focus.
